Home to a selection of high-end holiday accommodation including lodges, apartments and a range of alternative accommodation including floating lodges, cocoons and lake pods, Clawford Lakes is set to be one of the most desirable leisure locations in the UK.

We are looking for enthusiastic and hard-working candidates to join our growing team and have a range of part time, full time and seasonal vacancies.

If you'd like to be part of the team as we grow and expand, come and find out about the exciting opportunities at our Open Day on 5th February. You can meet the team, take a look around and we'll have more information about the roles available.
